The image displays a decorative wallpaper with a repeating pattern of vertical stripes. The stripes alternate between a dark blue textured background, a light blue background with a subtle floral pattern, and a light beige background with a subtle floral pattern. Each stripe is bordered by a thin gold rope-like line. Large, ornate gold floral motifs are centered on the light blue and light beige stripes, connected to smaller motifs above and below by a vertical line of small gold dots. The overall design is symmetrical and highly detailed.
